

Egyptian Dates • Varieties • Seasonal export windows

What's inside:

- Dates portfolio (varieties, types, packaging)
- Export season calendar (12-month view)

Market focus: EU (Importers • Wholesalers • Retail programs)

Quality & Logistics Commitment

- We follow strict quality processes (specs, inspections, and cold-chain compliance).
- Through our network, we work with reliable certified growers and accredited packinghouses.
- We supervise shipments from origin up to departure and monitor arrival at destination ports/airports.
- Packaging & private label solutions available on request.

EU BUYER NOTES – DATES

- Varieties include premium fresh (Medjool), semi-dry (Deglet Nour) and dry dates.
- Confirm moisture/grade (rutab/tamar), sizing, and private label requirements by buyer.
- Recommended: GlobalG.A.P. where applicable + audited packinghouses and cold-chain compliance.
- Packaging options are customizable on request (cartons, punnets, labels, private label).
